Did you get them all right? Try saying the words out loud! Some of them are a bigger mouthful than a big, ripe strawberry!

Here's the word strawberry in one more language! This is the Chinese word for strawberry. It is pronounced "tsao mei". Literally, it means "grass berries". The drawing of the word was done by Shuang Du, age 15, who lives in Apex, NC. The little strawberries drawn in the second character are part of the word--usually they are just small brush strokes.
