Take a look at the farms you will be visiting....

GROSS FARMS (Sanford, NC)

Gross Farms is located 4 miles south of Sanford, NC on NC 87. The farm used for the maze has been owned and farmed by the Gross family for over five generations. Gross Farms has provided a unique way to show the public one of the many positive aspects of farm life and offer a healthy source of fun and entertainment for the entire family. The barn used to house the produce business is actually a converted tobacco barn. All of the Gross siblings worked in tobacco while growing up and vividly remember filling this barn on numerous occasions. In the spring of 2000, the strawberry field was planted and a shelter was added to each side of the former tobacco barn. Produce grown at Gross Farms was made available to the public for the first time. Since then, thousands have enjoyed picking their own juicy strawberries and other vegetables from the rows of healthy vines.

OLDE CARTHAGE FARM (Carthage, NC)

Olde Carthage Farm is located on 15-501 in Moore County. They're a small family owned and operated farm currently offering strawberries, blueberries, blackberries, grapes, tomatoes and fresh flowers. This is their 4th year growing strawberries and they offer both Pre-Picked and U-Pick. Olde Carthage Farm is certified organic and they grow their strawberries using low tunnels.

WHITE HILL FARMS (Cameron, NC)

White Hill Farms is located directly off 15-501 in Moore County, NC. We are going into our 4th year of growing Strawberries with 2.5 acres. We have 2 variety's which include Sweet Charlie's and Camino Real with Pre-Pick and U-Pick available. Along with our Strawberries we grow 5-acres of Asparagus, 8-acres of Sweet Corn and 6-acres of other garden produce such as green beans, peas, cucumbers, and field tomatoes. Beyond our produce, White Hill Farms has 10 poultry houses, tobacco, hemp, deer corn, soybeans, pumpkins and hay.

DINNER AT ERNEST & RUBY MCSWAIN EXTENSION EDUCATION & AGRICULTURE CENTER (Sanford, NC)
